I (Parent's name) _____ agree to enroll (child's name) _____ in Brenda's Montessori Preschool beginning (start date) _____. The first 30 days are probationary for parent, provider, and child. This agreement may be terminated at any time during this period. Thereafter, a one-month's notice is required when the child is to be terminated from the preschool.

Hours

The Preschool will be open from 7:30 am for childcare and will close at 6:00 pm. A \$1.00 per minute charge will be added for any time after closing.

Payments

We agree to pay (\$ per month) _____ for five full days or (\$ per hour) _____ for a part time rate. Personal checks are acceptable and should be made payable to Brenda O'Brien. Payment obligation is based on the hours you reserve for your child. If for some reason your child cannot attend some reserved hours, payment for those hours is still required. If your child is out due to illness or vacation, the payments will remain the same. There will be no refunds.

Sickness

Children who have a contagious illness or show signs of fever, vomiting, diarrhea, or beginning colds where sneezing over other children is possible, will not be accepted under any circumstances due to concern for the other children's health. Please have alternative childcare arrangements made in this case. If your child comes down with a fever, vomiting, or other symptoms of concern, we will have to ask that you come to take your child immediately. The child will have to remain free of symptoms for 24 hours before he/she returns to the Preschool. In case illness or emergency situations to my family, or myself, we will make every attempt to provide substitute care. However, you should be prepared with your own backup.

All children must have up to date immunizations. Please make a copy for us to keep in the child's file. Any other information concerning your child's well-being should also be noted such as allergies, food combinations, or previous illnesses.

Brenda's Montessori Preschool participates in the Child Nutrition Program. We serve planned nutritious meals at no additional charge. Meals provided include morning snack, afternoon lunch, and afternoon snack. Breakfast will be served for those requiring it. The Preschool offers a variety of foods.

Your child is encouraged to try new foods but not forced to eat unwanted foods.

Parents are responsible for providing a change of clothes, diapers/wipes (if needed) and a blanket at nap time. Please check your child's basket each day for soiled clothes, work, etc.

Front Door Policy
